

## LIGHT TACTICAL TRAILER - 75

### MAXIMIZED STORAGE CAPACITY

EDEY FX's Light Tactical Trailer (LTT) is an innovative support platform designed to maximize storage and operational flexibility for tactical teams. It features a spacious internal cargo bay for heavier equipment, an upper deck with removable panels, and modular side walls. Dual side compartments and a folding tailgate provide enhanced accessibility.

### 16" OF SUSPENSION TRAVEL

The LTT-75 features independent trailing arms paired with coilover shocks, providing exceptional off-road handling and durability. With 40.6 cm / 16" of wheel travel and 33 cm / 13" of ground clearance at GVW, it's built to keep pace with modern high-speed off-road vehicles. Load capacity and ride height are fully adjustable to accommodate mission-specific payloads and terrain conditions.

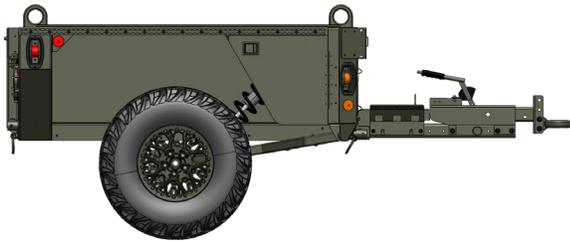

### AIRCRAFT TRANSPORTABLE

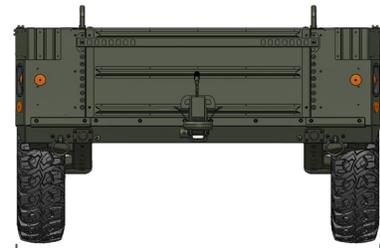

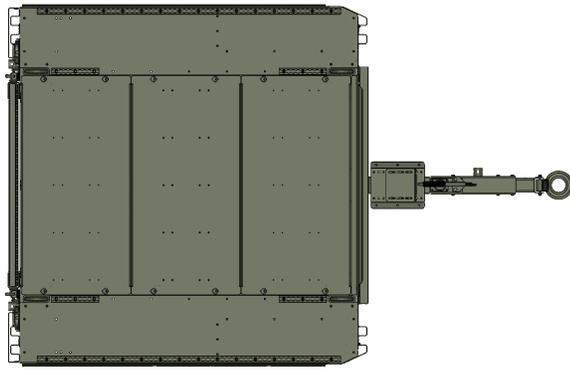

The trailer is equipped with four lift and tie-down rings, enabling internal air transport, sling load, and parachute airdrop operations. These rings are compliant with MIL-STD-209K to ensure compatibility with standard military equipment. Load-securing track installed at key points on both lower and upper decks offer flexible and secure cargo configurations during transport.

**EDEY FX**

180.8cm / 71.2"

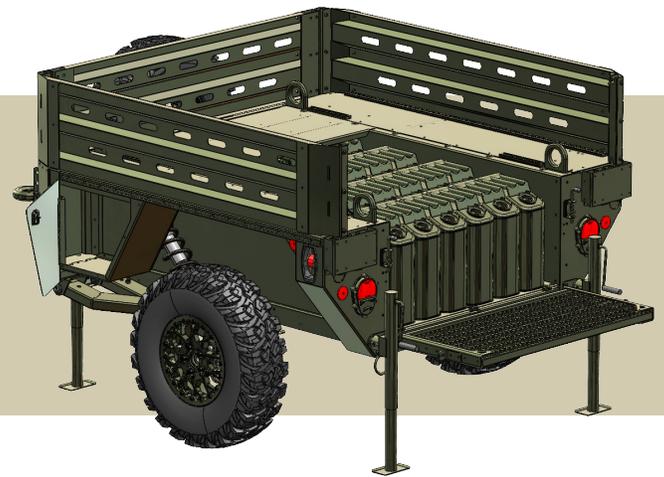

191.3cm / 75.3"

### ADAPTABLE TO MATCH YOUR VEHICLE

Available in 151.8 cm / 59.75", 191.3 cm / 75.3", and 236.2 cm / 93" widths, the LTT track width can be matched to the tow vehicle while maintaining 90% part commonality. Each trailer can be configured per order to incorporate common mechanical components from the tow vehicle, such as tires, brakes, and wheel hubs.

### ADDITIONAL FEATURES

The primary compartment of the LTT-75 provides a low center of mass and holds up to 24 fuel or water containers, or a fuel bladder and pumping equipment. Removable tailgate traction pads and spare tire mount offer emergency support. Jack points at each corner enable field servicing and platform stability.

### SPECIFICATIONS

<b>EXTERIOR DIMENSIONS (L x W x H)</b>	299.7 x 191.3 x 134 cm / 118" x 75.3" x 52.8" (with side walls)
<b>PAYLOAD CAPACITY</b>	1134 kg / 2500 lb
<b>TRAILER WEIGHT</b>	476.3 kg / 1050 lb base weight
<b>GROUND CLEARANCE</b>	49.5 cm / 19.5" unloaded, 33 cm / 13.0" at GVW
<b>UPPER DECK HEIGHT</b>	110.5 cm / 43.5" unloaded, 94 cm / 37.0" at GVW
<b>UPPER DECK DIMENSIONS (L x W)</b>	180.8 x 191.3 cm / 71.2" x 75.3"
<b>LOWER CARGO VOLUME (L x W x H)</b>	180.8 x 108.5 x 47.2cm / 71.2" x 42.7" x 18.6"
<b>TIRE SIZE</b>	255 / 85 R15 run-flat tires
<b>BRAKES</b>	Hydraulic surge, 2 piston calipers and rotors, manual parking brake.
<b>SUSPENSION</b>	Independent trailing arms, coil-over shocks
<b>STANDARD FEATURES</b>	Folding tailgate, auxiliary storage cabinets, Spare tire mount, L-track cargo tie-downs, 24V LED NATO lighting package
<b>OPTIONAL EQUIPMENT</b>	Side and end walls, ROPS with canvas top, swivel lunette ring, litter mounts, aircraft lift & tie down rings, European lighting package
